

# Clarity

## **This pillar addresses:**

- Unclear priorities
- Reactive decision-making
- Misalignment between mission and action
- Leadership fatigue and overwhelm

## **Leadership Coaching Focus:**

- Clarifying leadership values and vision
- Strengthening decision-making confidence
- Aligning personal leadership style with organizational mission

## **Why this matters organizationally:**

- Grants fail without clear priorities
- Boards struggle without direction
- Staff flounder without consistent leadership signals

**Clarity is the foundation of confident leadership**
